Dedication

Each morning as we walked up the steps, all were greeted with a friendly "hello". At the end of each period as we passed to classes, he greeted each of us with a friendly smile. His door was always open to offer each student friendship and advice.

Through this patience, understanding and counseling, we have recognized our mistakes of the past. Through his guidance we have formed many good habits and attitudes for the future.

We the Senior Class of 1963 proudly dedicate our annual to our principal and teacher, Mr. Jerry G. Hoenshel.

TO THE SENIORS:

Upon graduation from high school each of you has passed the first hurdle towards success in whatever line of work you choose to do. Your future success will depend largely upon how hard you work and how well you build upon the things you have had the opportunity to learn during your school career thus far. I wish to congratulate each of you upon your graduation and take this opportunity to wish you a very successful and rewarding life in the years ahead.

Superintendent J. H. Halterman

TO THE SENIORS:

It is not advice we give, for that you have had for twelve years. It is not promises we give, for those may never be fulfilled. It is not success we give, for each has to earn his own. However, it is the future we give, for with friendship, faith and perseverance you will attain your goals. Congratulations and good luck to the Class of 1963; the opportunity is now yours.

Principal Jerry G. Hoenshel

TO THE SENIORS:

Your being here in school was for the time-honored purpose of securing an education. Many of you will continue this quest for knowledge upon completion of your studies here at Laurens High School. My one thought for you is that if you, as students, have made the most of the opportunities presented by this school, you will arise to meet the challenge of tomorrows' problems and cause me no concern for the future.

Jr. High Principal Ray Nonneman

TO THE SENIORS:

I have known you but one short year; however, in this year, I have found you to be a very conscientious, hard-working group.

The academic standing each of you has attained can be attributed to your enthusiastic endeavors throughout your past twelve years. Be proud of your achievements and continue to grow in self-pride through additional accomplishments.

I can wish you good luck and success, but only you can make this become a reality.

NEARER, MY GOD, TO THEE

1.

Nearer, my God, to Thee, Nearer to Thee!
E'en though it be a cross that raiseth me; Still all my song shall be,
Nearer, my God, to Thee, Nearer, my God, to Thee, Nearer to Thee!

2.

Though like the wanderer, The sun gone down, Darkness be over me,
My rest a stone; Yet in my dreams I'd be Nearer, my God, to Thee,
Nearer, my God, to Thee, Nearer to Thee!

5.

Or if, on joyful wing Cleaving the sky, Sun, moon, and stars forgot,
Upward I fly, Still all my song shall be Nearer, my God, to Thee,
Nearer, My God, to Thee Nearer to Thee!
